COUNCIL COMMUNICATION

AGENDA TITLE: Public Hearing Regarding Weed Abatement Proceedings Involving Various Parcels Within the City of Lodi to Allow Property Owners Having Objections to the Proposed Removal of Weeds to Be Heard and Given Due Consideration

MEETING DATE: April 17, 1991

PREPARED BY: City Clerk

RECOMMENDED ACTION: That following the public hearing and receipt of public testimony, the Council adopt the attached resolution - Resolution Overruling Objections and Proceeding with Abatement (See Exhibit A attached).

BACKGROUND INFORMATION: At the City Council meeting of February 20, 1991 the Lodi City Council adopted Resolution No. 91-30 - Resolution Declaring Weeds a Public Nuisance and Initiating Abatement Proceedings - Various Parcels, Lodi, California. Pursuant to State of California Government Code Section 29500 et seq., a Notice to Destroy Weeds and Remove Rubbish, Refuse, and Dirt, was published, mailed under Declaration of Mailing to each of the involved property owners, and posted on the subject properties as determined by the City Attorney and the Fire Inspector. The purpose of this public hearing is for all property owners having any objections to the proposed abatement to be heard and given due consideration.

We have been advised by the Fire Department that since the adopting of Resolution No. 91-30 several property owners have abated the weeds on their property. We will provide Council with a list of the parcels that are not in compliance following a final inspection by the Fire Inspector prior to the City Council meeting. This document will then serve as the exhibit referred to in the body of the resolution to be adopted by the Lodi City Council at this meeting.

Following the public hearing and receipt of public testimony regarding the matter, it would be in order for the Council to adopt the attached resolution - Resolution Overruling Objections and Proceeding with Abatement (See Exhibit A attached).

FROM: Don Hawkinson, Fire Inspector *D.N.H.*
DATE: April 17, 1991
SUBJECT: WEED ABATEMENT/NON-COMPLIANCE

The due date for Weed Abatement compliance was April 5, 1991. As of that date, 179 properties out of the original list of 314 were found in non-compliance.

During the posting period of April 8 through April 11, 1991, the number 179 had been reduced to 69 via voluntary compliance of persons owning or responsible for those properties.

On April 16, 1991, I completed another reinspection of the 69 posted properties and found the number in non-compliance reduced to 34 due to the voluntary compliance of the others.

Attached is the list of those properties that are still in non-compliance, a declaration of posting, a copy of the letter posted on the property and a copy of the sign posted on the property along with the letter.
